**IMPORTANT: Does your child require a full-time EA or intensive support(s) to be successful at school?**  Yes  No  
 If so, we need to know. We must ensure that we have adequate staffing to support all of our students and your child safely. If you have a teen/adult who can attend to support your child 1:1 that would be one possible solution – as long as the adult has an up-to-date criminal background check completed and on file with our administrator. Or we might be able to find a qualified volunteer.

Can you commit to your child attending Tuesday & Thursday after school every week with BMA as the priority extracurricular?  Yes  No
